

Notice: Maintain Silence and Discipline in Library

All students and library users are hereby informed to maintain silence and proper discipline within the library premises. The library is a place for study and concentration, and any disturbance affects other users.

To ensure a peaceful environment, all users are requested to follow the rules mentioned below:

- 1 Switch mobile phones to silent mode
- 2 Avoid loud conversations and group discussions
- 3 Maintain cleanliness inside the library
- 4 Handle books and resources carefully
- 5 Follow instructions given by library staff

Strict action may be taken against those who do not follow the rules.

We appreciate your cooperation in maintaining a healthy study environment.
